6 Generation Name Submission Instructions

Please submit the following information in **typed format (not handwritten)** to our email: **hello@branchesart.com**

Most commonly, our trees display a **Name, Birthdate, and Birthplace**. You may choose to show **names only, 2 lines of information**, or **different information on the 3 lines**, but your tree includes up to 3 lines total.

**If you are interested in adding more lines, refer to our website add-ons for options & cost ➡ <https://branchesart.com/product-category/add-ons/>*

When you submit your names, we ask that you take the time to carefully type them **exactly as you would like them to appear in your tree**. We will copy and paste them directly from your email, leaving less room for error. We also recommend that places be edited to about 2-3 places (*example: City, State or City, State, Country*). We can include longer places, but the font size will be made smaller to accommodate, and it may not look as consistent throughout your tree. If you would like to include a death date, we recommend that you do it in this format: 1947 - 2006 **There is not enough room to include the full birth and death date on the same line.*

Here are a few examples of our favorite ways to format your information:

David Randall Hendricks 15 December 1947 Salt Lake City, Utah	David Randall Hendricks 1947 - 2006 Salt Lake City, Utah	David R. Hendricks December 15, 1947 Salt Lake City, UT, USA	David R Hendricks 12.15.1947 SLC, UT, USA
---	--	--	---

For each number spot shown, email us your information in the following format:

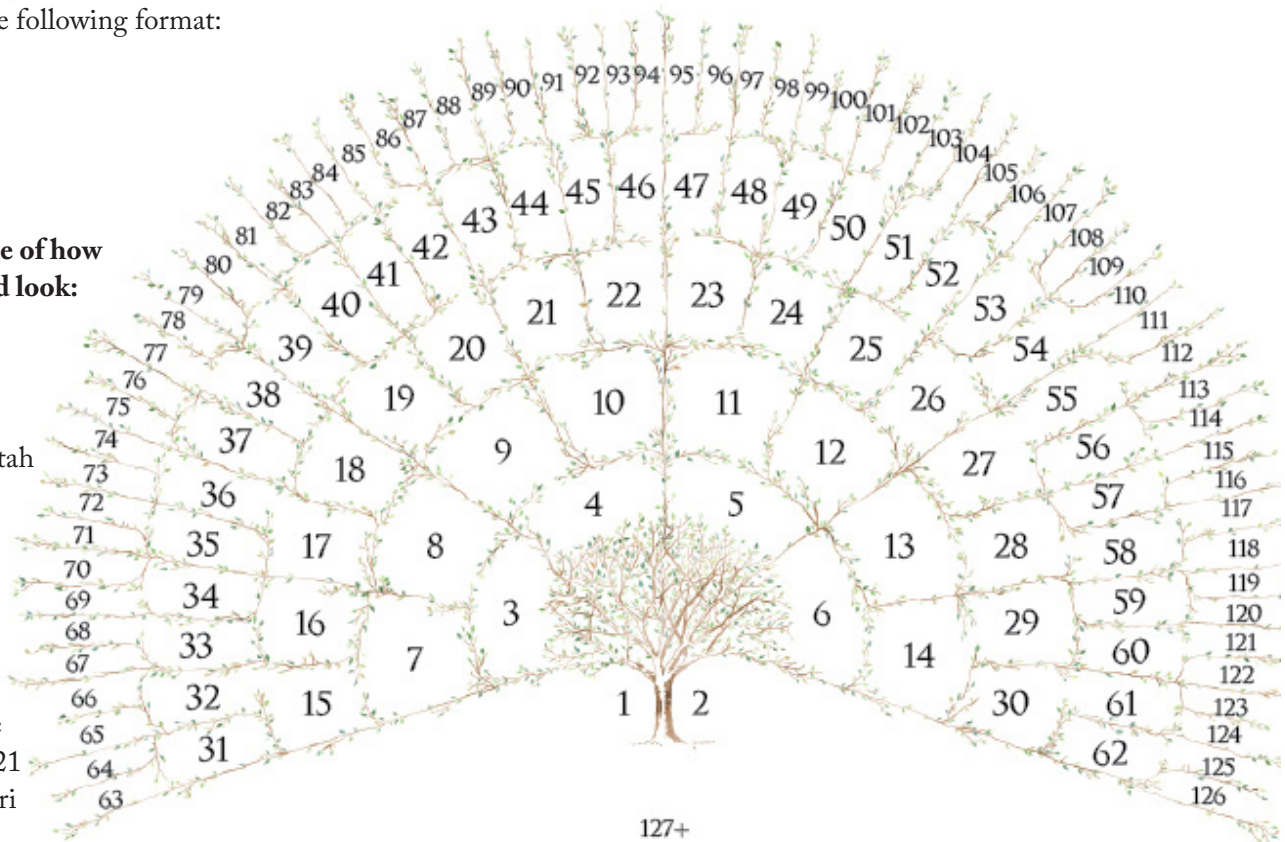

1
Name
2nd Line
3rd Line

This is an example of how your email should look:

1
John Luke Doe
29 June 1959
Salt Lake City, Utah

2
Jane Lucy Smith
18 May 1956
Ogden, Utah

3
Marcus John Doe
28 September 1921
St. Louis, Missouri

Spot **127+** is for kids and is *optional*. If you have kids that you would like to display, continue with as many spots as you need. Spot 127 would be the eldest (left side) and 128 would be the 2nd child, and so on.

In your email, please let us know what tree style and font option you would like. We ask that you **please make your style and font selection carefully**. We carefully size and place each name, once your selection is made and we have started your tree, *it is not easily changed*. If you request a change to style or font at a later time, that can be done at **an additional cost**.
